

BELLE
For Boundless Blossoms

belle for boundless blossoms

Overview

Since its establishment in 1999, Beauty Channel has continuously striven to provide all kind of products related to eyelash extension which gives women much more gorgeous eye with the natural Beauty.

And for the health of our users, we are constantly developing and producing cosmetics through the mixture of plant ingredients for safe goods and improving productivity.

We will keep doing out best so we can return the encouragement and support we have received from our customers.

EYELASH EXTENSION

BELLE LASH

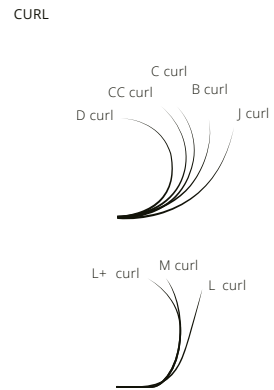

‘Belle’, a brand for eyelash extension, is created for your beautiful and attractive eyes. We provide innovative and exceptional products to give high satisfaction to customer through strict quality control system from manufacturing to distribution.

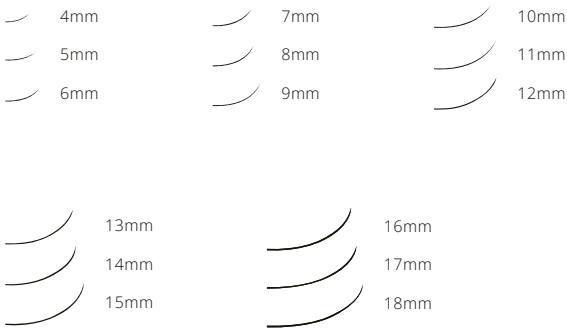

Belle Lash

BELLE's signature Mink lashes are made of Korean PBT material and have a wide range of curls which are J, B, C, CC, D, L, L+, and M curls, and thicknesses, and lengths from various styles to meet a wide range of customer needs, from a natural look to fancy eyelashes. We have three different Flat lashes that are made of different shapes of yarn (elliptical, square, and bow tie). and 13 types of Solid colors, Pastel, Neon, and Ombre color lashes, and special lashes for maniacs such as 7D bouquet, Split, and Layered lashes. Besides these options, there are a few different shaped yarn and pre-made lashes so that you can freely and easily create lash works. It boasts the best quality with eyelashes that are safely packed and shipped after several meticulous inspections.
